

THE MOTOWN UNIVERSE

Executive Development Memo #006 — The Avengers Equivalent
An alternate-reality “what if” • Fidelity Rating: 100% • Nerf Tolerance: 0%

1. The Decision

TEAM NAME: **The Motortown Revue**

Motown's real touring show, which put its stars together on the same bus and the same stage

2. Why The Motortown Revue

- **It really existed.** Beginning in 1962, Motown sent its acts out together as the Motortown Revue. The Revue also released live albums under that name. Like the Avengers, it has a real name with a real history behind it.
- **It matches the Avengers idea exactly.** The Avengers are solo heroes who assemble into one team. The Revue was solo stars (the Miracles, Mary Wells, the Marvelettes, Marvin Gaye, Little Stevie Wonder, the Supremes, Martha & the Vandellas and more) sharing one bill, one band and one tour.
- **It has built-in team-up drama.** The tours put everyone on a bus through the Jim Crow South. They faced segregated venues and danger together, and they competed for the closing slot every night. That is real conflict and real teamwork, with nothing made up.
- **It includes everyone.** The Revue had the stars, the Funk Brothers band and the Motown staff on the road. Everyone is in the team at full strength, so nobody gets shortchanged.
- **The name carries history.** “Motortown” is Detroit's nickname as the Motor City, and it's where “Motown” comes from. The team name ties straight back to the franchise name.

3. Names Considered

Candidate	Verdict
The Motortown Revue	SELECTED. It's real, it's a team of solo stars, and it comes from Motown's own history.
The Funk Brothers	Rejected. That's the real name of the house band. Using it for the whole team would take away the band's own identity.
The Motown Family	Rejected. It's a real phrase but an informal description, not a team name.
The Hitsville All-Stars	Rejected. It's made up, and TMU doesn't invent what history already provides.
Motown 25	Rejected. It's a real 1983 TV special, too specific and too late in the timeline to name the team.

4. Scope & Open Items

- This memo sets the **team name** only. Which artists belong to the team, and when, follows the historical record.
- **No films have been chosen yet.** The titles of the team-up films will be decided with the film slate.

TMU is a fan-made alternate-reality concept. It has no connection to Motown Records, Universal Music Group or Marvel Studios.
